BLUEBERRY LAVENDER LEMONADE

Makes about 1 1/2 quarts

Recipe from thekitchn.com

- 1 C sugar
- 5 C water, divided
- 1 T dried lavender flowers
- 1 C freshly squeezed lemon juice (about 6 lemons)

Homemade lemonade infused with lavender! Such a refreshing floral twist on lemonade.

- 1/2 C fresh or frozen blueberries
- Ice cubes
- Lavender sprigs for garnish

Combine sugar with 1 cup water in a medium saucepan. Bring to a boil over medium heat, stirring to dissolve the sugar.

Add lavender blooms to the sugar water, cover, and remove from heat. Let stand at least 2 minutes, or up to 2 hours.

Strain the mixture and discard the lavender. Pour the infusion into a glass pitcher. Add lemon juice, blueberries and another 4 cups water. Stir.

Pour into glasses over ice or refrigerate until ready to drink. Garnish with lavender sprigs if desired.
