ROUND UP AT THE REGISTER

The Marquette Food Co-op is happy to help the United Way of Marquette County fundraise toward its 2017/18 campaign goal with our Round up at the Register program. Through December 31, the Co-op will be asking shoppers at check out if they'd like to support United Way's campaign. Those who choose to donate will have their total rounded up to the next whole dollar, with the change contributed toward the Co-op's organizational goal of \$4,500.

United Way of Marquette County provides critical support to local programs and agencies throughout Marquette County that secure basic needs and health care/medical assistance for our neighbors, assist elderly citizens & adults with disabilities, and help our youth. Twenty-nine member agencies will receive support from the United Way this year, including the Women's Center, Room at the Inn, RSVP, Bay Cliff Health Camp, Dial Help, Big Brothers Big Sisters, and the YMCA. We hope you'll consider supporting this cause!
