Pecorino Camomilla

per pound

Pecorino Camomilla

This one-of-a-kind pecorino is made from the milk of Comisana, Lacaune and Sarda sheep in the Emilio Romagna region of Italy. Pecorino Camomilla is produced in the spring, when the sheep graze on the best grass of the year, and the fields are covered with chamomile flowers. The cheesemaker was inspired by memories of his grandma, who would put the cheese in pine boxes and cover it with fresh cut chamomile. While the cheese ages, it's infused with chamomile's floral scent and gentle flavor. It's the winner of 5 World Cheese Awards, including Gold in 2018 and 2019.
