LOCAL SPOTLIGHT

Learn more about the businesses that supply
your favorite local products to the MFC

Superior Culture admires the little universes fermentation creates. The company's kombucha, nano-brewed beers, Michigan ciders, meads, seltzers, fire shots—their whole suite of products embodies the best of fermentation. Their flavors always change, celebrating the best of their past, present, and future.

Alex Rowland, Superior Culture owner, also sees their business as a celebration of Marquette. *"It's empowering to be around people who are like-minded,"* he writes, *"and there's so much of that in Marquette. So many people are supportive of each other. People need this more than ever."*
