Daily Rituals Moisturizer

The Organic Skin Co.

The Organic Skin Care Co. is dedicated to creating the best products for your skin, starting with the best quality ingredients. A truly organic skin care company, many of the ingredients are sourced from communal organic farms in India, helping to revitalize rural communities. The company uses the supercritical Co2 extraction process to capture as much of the plant's natural qualities as possible, even maintaining the active lipids and terpenes. Products are sold in containers chosen to protect the ingredients and to be as environmentally friendly as possible, using a combination of glass, recycled aluminum, bamboo, and compostable eco pulp for packaging.

Five Cheese Brick Oven Pizza

Rao's Specialty Foods

Rao's started as a restaurant in New York known for their delicious sauces. The flavors of the restaurant became available outside of New York in 1992 when their sauces were bottled for grocery sales. What makes the sauce special is the ingredients, using only pure Italian olive oil and hand-picked, naturally ripened tomatoes grown in Italy. There are no starches, fillers, colors, or added sugar in the sauces. Now, you can get these amazing sauces on a frozen pizza here at the MFC. The crust is baked in a wood fired oven, topped with Rao's famous sauce, and finished with a flavorful blend of Mozzarella, Provolone, Fontina, Romano, and Parmesan cheeses.

Bergamot & Ginger Deodorant

Humble Brands

The Humble Co. Prioritizes fair trade and eco-certified ingredients for their deodorant, bar soap and lip balm. Each month, they prevent 6 tons of virgin plastic from entering circulation by using post-consumer waste plastic for some products and biodegradable plastic-free packaging for others. Their shipping packaging is all recyclable – even the tape is paper! We are excited to now offer Bergamot Ginger scented deodorant. Like all Humble deodorants, it is aluminum-free, dye-free, and artificial fragrance-free. Smell great and feel good!

We all know Dutch Gouda. Lush with creamy dairy flavor, it bears itself a cheese to be reckoned with. Artikaas reckons, bravely, brashly, with it. Bonding their Dutch Gouda with Gochujang, a Korean red chili paste, Artikaas dares to dream a better gouda, savory and spicy.
