Raspberry Hazelnut Bear Claws

Wild West

Wild West Raspberry Hazelnut Bear Claws look like cute, chocolatey bites of smooth oatmilk and tart raspberries. They are. They're also naturally sweetened using only fruit, making them a guilt-free treat. So, snack on, chocolate lovers.

Lupini Beans

Regenerative Organic

Simpli

Agriculture and its land use contribute to "a third of the world's human-caused greenhouse gas." In 2050, Simpli "expect[s] food demand to increase by over 50%." To combat this, Simpli produces its products regeneratively, meaning it restores soil health while preserving its foods' nutrition. Lupini beans, while dense with amino acids and protein, give plenty of nitrogen back to the soil, making it a healthy, sustainable purchase.

Eat, Prey, Mango

Off Color Brewing

Eat Prey Mango gains its explosive array of fruity flavors from feeding mango, passion fruit, and pear juices to their farmhouse ale after it's eaten the malt sugars during fermentation. It makes for an aromatic and summer-y saison, light and smooth.
