## Wild Berry Dried Fruit Bar Garden Bar

Garden Bar strives for a snack that is simple, sweet, and natural. Their Wild Berry Fruit Bar accomplishes this by blending strawberries, blueberries, and raspberries together and dehydrating them. The blend becomes a dry, non-sticky bar that's nutritious and easy to eat.

## Matcha Latte Jibby

Mornings don't have to be drab. As Jibby sees it, they can be super way to support your body and brain. Matcha Super Latte is made with only the right stuff, mixing collagen protein, turkey tail mushroom, and other invigorating ingredients to help you start your day off as your best, most beautiful self. This matcha works to improve mood, focus, and health without an energy crash during the day. It's a smooth, slightly sweet way to kick off the morning.

## Bold & Smoky Spice Blend iLéwa Foods

Chef & Founder of iLéwa Foods, Adé has one thing to say: "Wa mi dounou," or, "Come share a meal with me." Adé works to spread her home culture through accessible and authentic West African dining. With iLéwa spice blends, she does just that. The Bold & Smoky Suya is both spicy with nutty notes, adding a West African oomph to chicken, seafood and veggie dishes.

## Coconut Caramel \*Raw\* Chocolate Rawmio

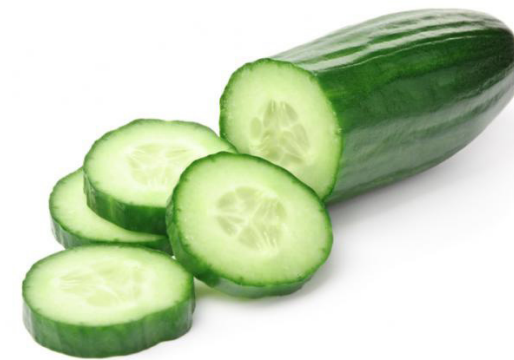

The Malinskys are an uncle-nephew duo both obsessed with healthy eating. With Rawmio, they're making it everyone's obsession, too. Their Coconut Caramel & Crushed Cashew Bark uses stone-ground chocolate and low-temperature production to keep the chocolate's nutrition in while creating a clean, crisp, organic taste. It's not too sweet, not too bitter. It's just right.

### Black Label Cambozola

The award-winning Black Label Cambozola is a great choice for any blue cheese lover or newcomer. Its inner paste is speckled with bold flecks of blue mold, giving it a strong, nutty flavor with a luscious texture and salty nip. The gray-mold rind isn't for show, either. It's edible, mild, and delicious.

Pair with red wine or a flavorful beer for the best experience.
