Original Beef Snack Stick
Thousand Hills

Thousand Hills Hickory Smoked Original Beef Sticks are made with 100 percent grass-fed regenerative beef, lifetime grazed and processed in the US. They're fully cooked, making for a quick snack without fillers, preservatives, added nitrates/nitrites, MSG, or gluten. Thousand Hills promotes regenerative agriculture, supports biological diversity, protects natural resources and native wildlife habitats, and promotes soil fertility, so you can feel good about your purchase. With a satisfying hit of protein and smoky and savory flavor, this is a wholesome, high quality snack option that's easy to pack for on-the-go adventures! Now available in singles — find them in the Grab & Go cooler near the deli.

Stringles
Organic Valley

Another quick snack option is now available in the grab & go cooler near the deli — Organic Valley Stringles singles! Made with just three ingredients — organic pasture-raised milk, salt, and vegetarian enzymes — and no antibiotics, synthetic hormones or toxic pesticides, this low-moisture mozzarella string cheese is great quality. We also carry them in a multi-pack, but are happy to offer them as individually wrapped singles for those popping in for a fast, easy, and affordable snack. With 7g of protein, they're perfect for on-the-go and kids love them.
