So Suomi Blend

Keweenaw Coffee Works

Light with a cream soda finish, So Suomi is a velvety roast made here in the U.P. from our friends in Calumet. Using Guatemalan coffee beans, Keweenaw Coffee Works creates a bright drink with a unique palette compared to its light roast cousins.

Organic Oat Vanilla Creamer

SOWN

SOWN wants time to chill, optimally without milking the planet for all it's worth. With their oat milk creamer, SOWN uses plant-based cream and a touch of vanilla to help make coffee time just a bit better.

Alive Organic Lemon Lime Mushroom Elixir

GT's Kombucha

Infusing adaptogenic mushrooms in black tea, GT's Alive Lemon Live emulates a citrus-y soda almost perfectly. 75mg of caffeine, 180mg of Vitamin C, and only 5g of sugar—it's a natural alternative to overly-sweet sodas.

Michigan Nature Checklist T-Shirts

Madi Stitches

Since they were teens, Madi Stitches owners, Riley and Madi, have been all about design. Starting with tumblr edits then hand embroidery, the duo now make expressive, feminine takes on National State Park memorabilia.
