

# NEW ITEMS

## Rolled Chile Lime Tortilla Chip

### Zack's Mighty

One of the first chips made with regenerative corn, Zack's offers a sturdy tortilla chip without processed, dyed, or artificially flavored ingredients. Similar to Takis, Chile Lime Rolled Tortilla Chips are bold and zesty, perfect for a salty snack.

## Bulk Organic Chesapeake Bay Seasoning

### Frontier Co-op

Frontier Co-op's Chesapeake Bay Seasoning blasts any dish with a savory blend of paprika, cayenne, garlic, onion, bay leaf, celery seed, and allspice. Like Old Bay, it's a complex mesh of aromatic spices that is perfect on anything.

## Food-Themed Bookmarks

### Humdrum Paper

You can't normally save your place in your favorite book with a chocolate bar. Well, it's not recommended. Humdrum Paper imagines what it might be like with a series of creative, absurd bookmarks ranging from ice cream to racoons to butter to cannabis.

## Peach & Plum

### ALO JÈN

ALO fills every bottle of JÈN with 2500mg of collagen. Using marine peptides, their collagen solution is easy to process. Gluten-free and Non-GMO, JÈN is fruity and clean with ALO's signature aloe vera taste.
