## Brookie Brownie Fudge Bites

Killer Brownie Company

Their original recipe drew folks far and wide to their Ohio grocer. So much so, they needed to expand to meet the growing demand for their unique, caramel-filled brownies. No surprise, given how delicious their thickly-layered, sustainably-made confections are.

## Organic Tropical Citrus Energy Juice

Evolution Fresh

You deserve a nourishing drink filled with zesty, wholesome fruits and vegetables. That's what Evolution Fresh says, at least. Their Tropical Citrus blends naturally sweet, organic juices together to give you your daily dose of Vitamin C with a little green tea for an energy boost.

## Cult Pils

Broad Leaf Brewing

Crisp, cool, with a nippy hops finish, Broad Leaf's Cult Pils is here at the Co-op. Not quite German style and almost a Czech pale lager, this pilsner is light with a bite. Find out why Beer & Brewing rates it a 96/100 by picking up a can today!

## Jalapeno Garlic Hot Sauce

Foolazul

The U.P. might be known for its cold winters, but Foolazul shows it can bring the heat, too. The Skandia-based business grows and harvests all its peppers and garlic locally. Jalapeño Garlic, a blend of both, is an earthy, mild heat made only in the U.P.
