Butterscotch Caramel Ice Cream

Ice Cream for Bears

Contrary to the name, this ice cream isn't for bears. It's for you. And using raw honey, it's got a naturally sweet flavor that everyone loves. Including bears, but please, please don't feed them this ice cream.

Organic Frozen Shiitake Mushrooms

Woodstock

Woodstock commits itself to Non-GMO and Organic for all. With slim prices and wide variety, Woodstock covers everything to provide quality goods for every need. Farm-to-freezer, their Frozen Shiitake Mushrooms are just another way they honor that goal.

Organic Pico De Gallo Chips

Mi Niña

Mi Niña acts as New England's first authentic tortilla bakery using 100% Non-GMO white corn, lime, and water. The tortilleria honors its founder's heritage through family recipes and the Aztec technique of nixtamalli. Crisp and savory, Mi Niña builds upon these customs with its landmark flavor, "Pico de Gallo."

Bulk Organic Tequila Lime Seasoning

Frontier Co-op

This seasoning salt is a zesty delight. It explodes with a bold blast of lime and chile that isn't so spicy to be overwhelming. Instead, it elevates what it touches, especially sweet fruits like mango and watermelon. Make a spice rim for your margarita, use it as a dry rub—there's no wrong way to enjoy this unique seasoning.
