Quick Facts

- The Double Up Food Bucks program is a national, grant-funded food access program administered by the Fair Food Network, a food justice and sustainability nonprofit.
- The Marquette Food Co-op is the first and only grocery store in the U.P. to participate in the program.
- When you use a Bridge Card to purchase fresh produce, you'll be given a voucher equal to the amount of produce purchased (up to \$20 per day).
- After your purchase is complete, simply bring your receipt to the MFC Customer Service Desk to have your voucher printed.
- The voucher can be redeemed on any fresh produce offered in the store during a future purchase.
- The original voucher is required. No replications or alternative vouchers are permitted.
- The Marquette Food Co-op only honors vouchers from our store. Vouchers have no cash value and are not transferrable.
- The program runs year-round. No additional registration is necessary, all Bridge Card holders are automatically eligible.
